## ORBIO® SOLUTION TRANSPORT CARTS

### Increase the range of use for your Orbio® 5000-Sc with sturdy transport carts

Safely move large amounts of ready-to-use 5000-Sc solution using 100-T or 200-T solution transport carts. The durable carts help you distribute cleaning solution efficiently to wide-spread cleaning stations in a large facility or campus. Use a transport cart to:

- Fill solution containers and spray bottles at remote stations or buildings
- Refill automated machines for carpet extraction and automatic floor scrubbing at the remote point of use
- Move and store cleaning solution for on-demand use from the cart
