

Tennant 800

The Tennant 800 power sweeper is designed to deal with very tough industrial indoor and outdoor sweeping applications. The solid T-beam frame together with the huge steel bumpers encircle and protect the machine. Its 168cm wide cleaning path means that it can clean up to 27.000m² in a single hour. The large debris hopper holds up to 910kg. 15cm of ground clearance permits easy navigation of speed bumps and rough terrain.

Features

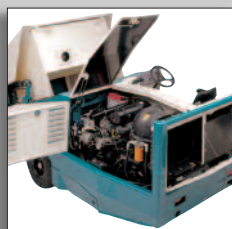

- Large debris hopper
- Direct throw sweeping system
- Multi-level dump
- Quad dust filtering system
- Brush load indicator
- Dual operating speed
- Perma filter
- Easy access to engine area, filters & battery

Benefits

- Extends working hours, more productivity
- High performance cleaning
- For dumping on the ground or into dumpsters
- Perfect dust control
- Monitoring the brush down pressure for overload
- Customises to cleaning needs
- Extends dust filter life
- Easy maintenance & serviceability

Applications

- Warehouse & distribution facilities
- Parking areas
- Manufacturing & production facilities
- Heavy industrial facilities
- Transport sector

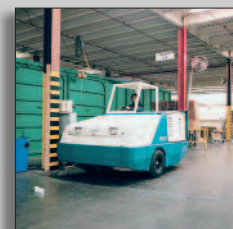

Easy engine access

800 with cabin

Vacuum wand

TECHNICAL SPECIFICATIONS 800

		Diesel
Machine Dimensions		
Working width (single side brush)	cm	168
Working width (dual side brushes)	cm	n/a
Dimensions (l x w x h)	cm	306 x 178 x 188
Machine weight (net)	kg	2955
Sweeping System		
Area coverage theoretical(max)	m ² /h	27,050
Area coverage practical(max)	m ² /h	15,300
Length main brush x dia	cm	127 x 41
Diameter side brush	cm	66
Sweeping principle		direct throw
Transaxle drive	yes/no	yes
Recovery System		
Panel filter capacity	m ²	17
Airflow	L/s	302
Hopper capacity, volume	L	850
Hopper capacity, weight	kg	907
Hopper dump height	cm	183
Power		
Power source		12V
Total power consumption	W	47,000
Protection class	I/II/III	III
Sound level (DIN45635)	dB(A)	86
Propelling		
Transport speed	km/h	16.1
Working speed	km/h	10
Climbing capacity	%	27
Turning circle	cm	345

Configuration

- 800 with cabin & airconditioning/pressuriser
- 800 with cabin & heater/pressuriser
- 800 with overhead guard

The above mentioned configuration includes as standard a right hand side brush, tilt & power steering and multi-level dump.

Accessories

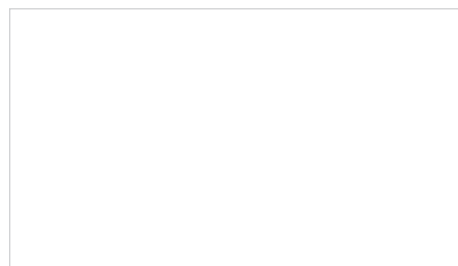

- Brushes

Options

- Back-up alarm • Cab fuel with filter, sealed & lockable • Dust filter (finer filtration) • Rotating light on shroud • Spot light side brush
- Front & rear, break & turn lights • Mirror kit (to observe side brush) • Side brush dust control (right hand)
- Solid front & rear tire & wheel • Vacuum wand

Warranty

24 Months (or max 2000 running hours) on parts and 12 months (or max 1000 running hours) on labour, whichever comes first, excluding wear items.
